Founded in 1996 by Daniella and Louise Goodman, the company's mission is to explore, define and express what it means to be a woman through makeup and cosmetics. The company has a collection of cosmetics with a focus on mascara, lipstick, lip gloss, foundation, blush, eyeshadows and eyeshadows, blushes and eyeliner. The Estée Lauder "Illamasqua Collection" is designed in collaboration with the Illamasqua team, and features the influence of Victoria Beckham, YSL and Chanel. The Illamasqua approach is to reflect and play on the human condition by suggesting subjectivity in the makeup. The aesthetic is recognised to be "modern femininity", being slavish to the guidelines of German painter Kasimir Malevich, in particular the colour/black and white principle. The collections are available in UK stores in the below ranges: Illamasqua, Illamasqua Venus, Illamasqua Lip, Illamasqua High Fashion, Illamasqua Couture, Illamasqua Spotlight, Illamasqua Carve and Illamasqua Cult. In 2012, in order to test the concept, Illamasqua teamed up with Black Hippy, in a campaign called 'Black Is Beauty', to promote the PETA 'Black Is Not a Dirty Word' campaign, focused on the atrocities against black animals and against their bodies. In the same year, Illamasqua launched a cosmetics collection for men called Illamasqua Country which reflects on the influence of British designers, illustrators and artists during the years, such as Basil Kirchin, Patrick Procktor, Noriko Ogawa, Thomas Refsnider, Jake Flippin, Jo Fletcher, Peter Cook, Murray Wall, Peter Saville, Tracey Emin and Michael Landy, and includes a wide range of cosmetics products. 2:11 How to Make a Glam Effect with Gimp 2.10 How to Make a Glam Effect with Gimp 2.10 How to Make a Glam Effect with Gimp 2.10 How to Make a Glam Effect with Gimp 2
