System Requirements For MyPopBarrier:

Requires 3.1 or later. Odds & Ends Postcard: Mini-Stat: Screenshot: Unsurprisingly, there's an important easter egg in this update: an NPC and a ground-based puzzle which will only be solved by searching around in addition to opening the Mail icon on the map screen (while the doors are closed). This leads to a rather relevant plot twist in Chapter 3. The NPC's name is "William Beekley", a name that you'll recognize from
