The story begins with our famous heroes Valerio, Natalia, Anji and their loyal companions Tia and Buck, as they set off on the quest for their fortune. Through many trials and adventures, they face powerful and curious creatures and mysterious monsters. The heroes often have to survive in dark dungeons, where the only source of light and life is the mysterious yellow orb called the Light of El. The world of Sherwood is full of dangerous dungeons and evil monsters, and there's no magic weapon to fight them with. The only option is for the heroes to prove their skills in close combat.
