## The Werks Vol 1

Introduction: the Werks has 4 plugins in this package: Werks Vol 1 contains more than 50 tools to help you build awesome images. Werks Vol 1 Download, Price, Installation, User Guide and Limitations: So far, no information could be found on the author's website. However, due to the low price and the large amount of tools, I think a free trial or keygrip might be a good idea, too. If you want to try a free keygrip, send me a mail at alex@rud-rechenberg.de and I'll send you one. The Werks Vol 1 by Rud Reichenberger is available in English, German, and French. I believe it's the same plugins, only the name of the plugins are different. I think he meant it should be the Wearewerks and not the Werks Vol 1. I don't think it's a free plugin anymore but it's a great plugin. I hope it will come back soon. Here is the direct download link for Wearewerks: The Werks Vol 1 is an Adobe After Effects plugin suite that lets you create gradients, glows and glints. Glintwerks creates multi-colored traveling glints of light that move across your image. Gradientwerks is a powerful tool for creating beautiful gradients for backgrounds and text. Easy Glow is the fastest and easiest way to make your images glow.
