The first thing you should do when you enter your airport is to arrange for one or two pieces of luggage that can be used for most of the purposes at an airport. This is because you would have to check in other luggage of yours when you are at your destination. Airlines allow you to book more than one piece of luggage to be checked in. If this is the case, then you have to use a method called "Outbound Check-in". When you book one or two pieces of luggage to be checked in, you are free to use any baggage claim agent at your airport. Some airlines may ask you to sign a form stating that you will not carry your luggage out of the airport. Now, lets look at
