In this animated sequel, Hiccup and Toothless, dragons with a difference, return to Viking Island and discover a vast new world filled with new adventures. "How To Train Your Dragon" is a modern retelling of a popular but outdated Viking legend, which had grown stale and cliché. It's set in a world where Vikings and dragons actually coexist, both on land and in the air. It follows two dragons with a fierce and strong Viking elder, and their eldership as they pursue their dream of a long and meaningful life, traveling through Viking Island in search of their partners. ## System Requirements For How To Train Your Dragon Screensaver:

Download: Instructions: Additional Notes: Welp, it took a bit longer than expected to get here. My holiday season sort of kicked my ass. School was my priority, as it's been the past few months, and sadly the time I had to play Oblivion was much shorter than the time I spent on college papers, an internship, and working. Also, I'm not proud of the fact that I have not played this game since the final patch before the 1.0 release. Well, one thing I am proud of is that I FIN
