machine. If you find the ultimate, expert grade design that is built to the highest standards, you may want to mention that to your dealer or distributor. Your chances may be greater of finding a dealer or a distributor in the area with a home office that specializes in professional tools, all the way down to the ultimate professional grade. Pro Tools can be, and is, available for the Macintosh operating system. With the iTunes music application, you can install Apple's Remote app that allows you to access Pro Tools using the apple remote. This is a great way to use Pro Tools on a computer. With a US\$6,000 entry price, a competitor will need to charge a substantially higher price or put up a compelling marketing campaign to convince you to buy theirs. Finally, one advantage of buying from a dealer that specializes in recording equipment is the inclusion of a warranty from the company making the product. If you experience an issue, you'll be able to get it repaired or replaced. The worst that a consumer can
