What's new:

- Live your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive player career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
- Introduces "HyperMotion Technology" which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- Match Day will offer up-to-date, comprehensive stats every week including new editor in FIFA Ultimate Team.
- Every goal will be rated and visually represented in FIFA Ultimate Team before you've touched the ball. Accelerate your progression with league performance charts that will teach you how to play the Beautiful Game.
- Innovations will be driven by a wider range of feedback and information from fans, clubs, manufacturers and the media.
- FIFA 22 is available on Xbox One, Xbox 360, PlayStation 3, PlayStation 4, and PC.
