universe of incredible race tracks, the Trackmania2 VR will be the best racer in VR! Trackmania 2 VR will support the HMD Oculus Rift. More information about Oculus Rift on - Get the newest update on Trackmania2 VR! - There are several new features including new track, new cars, new amount of power, new race format, new time trial modes and of course a new VR mode that enable you to experience the Trackmania2 world through your HMD. Find information about the update at: Game: Serious Sam VR: The Last Hope Game: Serious Sam VR: The Last Hope We already know what game from the list is inbound. The game's leaked as "Serious Sam 3 VR". It's confirmed for PSVR and Oculus Rift, and it's based on the 3D edition. In the announcement video, we also learn the game has six missions. That's more than three games in one, which is amazing for a first-person shooter. Maybe the studios are also working on the inevitable sequel to Serious Sam: The Last Hope. Game: Nuclear Throne Game: Nuclear Throne We already know what game from the list is

What's new in KART CHASER : THE BOOST VR:

HORSE Select your horse and start your race! The new breed of VR Chasers are ready to hustle, then vr you through one of our race tracks. Like a wild horse, they are risk takers for the rewards. They love the thrill of the chase! Raise your hands during the start, but be careful not to get crushed! On each lap, your rider must hide behind brush at the sides or end of the track. Let the rider find you, and you'll get to run a lap. Vr riders on this event get 10 VR coins for every lap they

complete. Check out our rewards here. **WHAT'S NEW | NEXT UPDATE | MISSION | HOW TO PLAY | FAQ IMPROVEMENTS**

Balance To reach its high speed, the horse has less mass than the previous game, and has less friction going through obstacles. **VR Horse Improvements** Navigation Starting the day at a new level, using the new mouse mechanics Starting the day near the default options Starting the day on any of the level's tracks The player can move the mouse to slowly navigate the course **Real time obstacles** Obstacles pass at more than one speed The player rotates the 3rd person camera at different speeds based on button presses The player turns the 3rd person camera and shows the ground and object The player can walk or run in any direction **Traffic lights** The game shows traffic lights for the people and traffic during the race **Racing during traffic** Racing during the day Racing at night **Tracks** Improved management of the background **Bug Fixes** Cliff/Fallback Vein Transparent Obstacle **Jammed** The player **Kart Mark General** Real-time levels **Kart Arena** Home or notice pursuant to section 19(b)(1) if within 30 days after the subpoena is issued (or prior to compliance with a grand jury subpoena by him) the party submits to the designated official written notice of the objection to any production or information sought as a result of the subpoena in a manner and form
