The "HyperMotion" tech is enabled by a new control scheme, simply known as "FIFA." In the FIFA Football, you'll find two new control schemes. The first, "FIFA Touch," is the new way FIFA has always been played, using a static model of the ball with precise control of ball direction. The second, "FIFA Control," is a simplified version of FUT, only requiring players to pass and shoot. Any player in the opposition's half can be tackled by pressing a button on the PlayStation 4 controller. Score Volley is a volley based off the scoring system in The Beach and COD: Zombies. More Goals = More Time. Each volley has a unique animation and scoring can be through a ball kicked into the net, a header goal, or a cross goal. Scores can also be scored during headers, off-headers, or through-ball goals. Players can also be fouled for a score. 5v5, online, anytime. Playing with friends since 2012, FIFA Ultimate Team has been enjoyed by millions of players worldwide since its launch on the PlayStation 2. FIFA Ultimate Team is now available on the PlayStation 4 and will receive continual support with new packs, seasons, and more as the popular player community grows. "FIFA Ultimate Team" is sold in a special online store that contains FUT Packs that unlock additional items for FIFA Ultimate Team. It also contains a card roster, which is the set of cards a player will have to start the game with. In this version, you also earn Basic Cards and Gold Cards through gameplay, unlike the FIFA 14 card sets where you don't earn any cards. There is a difference in how you earn cards from a FUT card set and the Basic and Gold cards. The FUT packs unlock cards and unlock the chance to earn additional cards, but the Basic and Gold cards are a random set of cards to start the game with. FIFA Ultimate Team is sold in an online store containing FUT Packs that unlock additional items for FIFA Ultimate Team. It contains a card roster, which is the set of cards a player will have to start the game with. The game focuses on improvements to the Ultimate Team mode of FIFA 13, with the main addition being to improve player animations and introduce clothing to assign unique kit for players to wear on the pitch. Some of the new features included are: New kits for the season.

What's New EA SPORTS™ FIFA 22 will be the very first game in the series to feature "FIFA Ultimate Team™." For those who already have Ultimate Team, this new season will bring additional depth and rewards for continued play, with a new set of cards available only to FUT players. For those who have yet to experience Ultimate Team mode, there are plenty of reasons to play in FUT including the inclusion of a Draft mode, which lets you draft in real time like the professionals. Real Madrid to Real Madrid As part of the single player Career Mode, you'll be able to play a full career for all of the currently active clubs in all major global leagues. With over 80 unique player personalities, you'll be able to determine which team, club and city you would like to play for. We've also added "My Career" mode for those that prefer to play a full standalone single player career than team up with friends online. In "My Career" mode, you'll be able to complete your own single player career for as many years as you like, making decisions on whether to work with a coach and negotiate contracts while making calls on trades and picking the best moment for free agent signings. FIFA Ultimate Team Last year, we introduced players into FIFA Ultimate Team in FUT Draft. FUT Draft gives the opportunity to unlock players for the first time and collect brand-new premium cards as you progress through a full team season. FUT Draft is now a standalone mode with three game modes: Practice, Season and Tournament. Draft Mode allows you to be the General Manager for a single squad, team, club, country or for a fan created squad. Draft Mode gives you the ability to experience a full season of a career without any gameplay restrictions and you get full control of all your players, including choosing who to sign,
