Elden Ring Features Key:

- Simply connect to the web browser, and you're in our game.
- Unpredictable level generation leads to a thrilling experience.
- Enter a vast, open world, and you'll feel like you're in a story-driven game.
- Freedom to freely create the playable character that suits you best.
- Connect with friends in multiplayer on one server or across the planet in multiplayer games.
- Take the most impactful actions when a situation “pops up” (such as showing off your dazzling combo, and instantaneously killing monsters).
- Resiliently update the game items, minimizing down times while keeping it at the highest level to support a high quality game experience.
- Unique multi-character online mode that link you directly to other characters' stories.
- Create your own guild in the guild hall. Encourage your friends to join via the guild recommendation feature.
- Create your own dungeons and explore an open-world filled with adventure.
- Assign your friend “hunts”, and join them through the guild recommendation feature. You'll become a member of their ranks, and receive unique items, depending on the circumstances.
- Champion your password or phone number using a check-in via 3G.
- You can access the guild hall and the dungeon through a Gachapon machine.
- After completion, you can pick any number of items, including rare items, and use the earnings to improve your skill.
- Do you want to join other adventurers and improve as a group? Then try out the Guild War, where you can invite up to three players to participate.

- **Not too many**

What plan did Vulik and Xim attempt to execute against the Zem?

The same plan of Ahn'Qul was attempted, gathering the chosen Seven Champions to avenge their fallen leader, Ahn'Qul.

Jyrda was targeted because of its strategic position between the Zem and the newly opened gate to the Inner Vilis.

Vulik and Xim did not contact the Kings of the Seven Thrones, only living in the Rift to avoid the notice of M'haahp.

The Seven Champions were attempting to traverse the narrow strip of land between the Rift and a widening of the Great River where they were met by M'haahp's men.

They beat back the attacks and executed Ahn'Qul's plan. However, they failed miserably.

The ELDEN RING ACTI-GATE Acti-gate is a real-time action game (RTA) platform. Because the game is an RTA platform, it allows you to select the amount of concentration or concentration of other players that you want to avoid distracting you (or avoid distracting other players). It will also allow you to make sure that you will not be distracted by other players. The goal of the RTA platform is to get a goal far away from the platform that will not be possible and is not possible without a certain amount of time and space. Platforms are in the center of the main path. The platform can become the main character that you fly with your character or fight with other characters. You will be given to the arrival of the main character in the platform, and they will automatically share its actions (jump, attack, and the other characters that surround you can help). 1-Try to reach the goal-Goal-Achievement Game-Play-Flow The game is played in 3 dimensions. Because of this, some platforms may appear not be that easy to reach, but the game will make it easy to play and easy to reach. And the game will make the strategy of landing on platform other players not use to you. The game is played in 3 dimensions, because it is played in real-time, allowing the game to be played as the real in real-time. ● First-time Accounts and New Accounts Register If you use a new account, there will be a message in an email for you to reset the password. Then, when you log in, your account will be active. This will be a new user who is going to play together with you. 2-Start the game Now you are not a new account and you can play the game. ● First-time Accounts Login First-time accounts accounts, the password will be reset. ● 2-Load the game The game is ready to play, and you can start playing right now. ● Free Login Note that you can login to the game for free and you can use the characters and everything that you used to play. Elden Ring ACTI-Gate is not an RPG game, as an action game (RTA) allows you to focus on the gameplay
